

Nama : Dea Ashari Oktavia

Tugas : Data Visualisasi

## 1. Membuka data studio

The screenshot shows the Google Data Studio home page. At the top, there's a header with the Data Studio logo, a search bar, and user icons. Below the header, there's a 'Create' button and tabs for 'Recent', 'Reports', 'Data sources', and 'Explorer'. The 'Recent' tab is active, showing a list of recent reports. On the left, there's a sidebar with filters for 'Shared with me', 'Owned by me', 'Trash', and 'Templates'. The main area displays 'Start with a Template' with options like 'Blank Report', 'Tutorial Report', and 'Acme Marketing'. Below this, there's a table of recent reports.

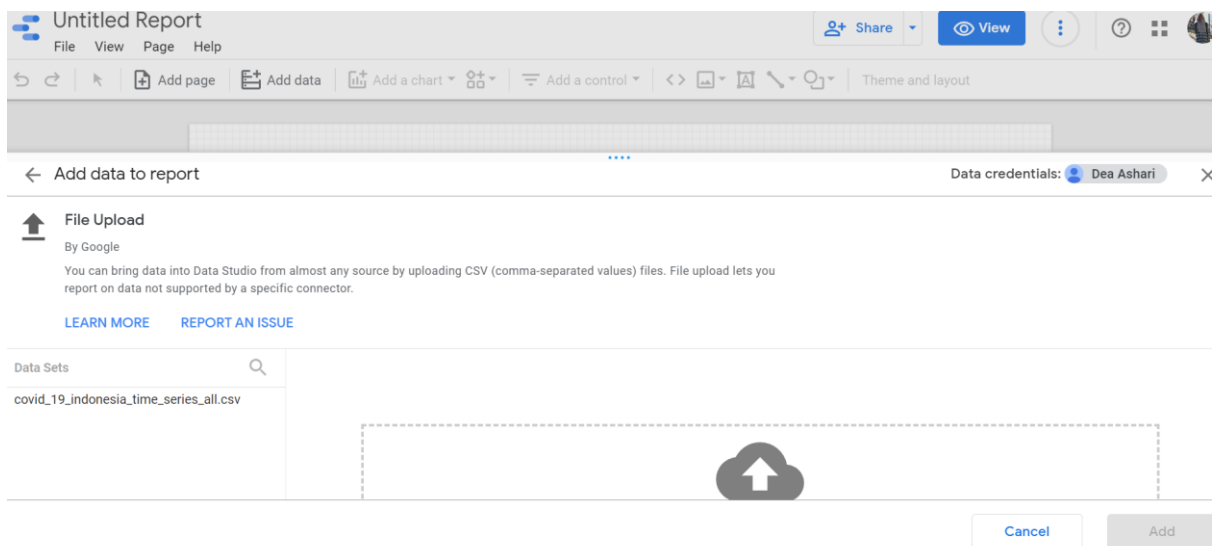

Name	Owned by anyone	Last opened by me
Untitled Report	Dea Ashari	11:26 AM
Untitled Report	Dea Ashari	10:41 AM

## 2. Menghubungkan data menggunakan connect to csv

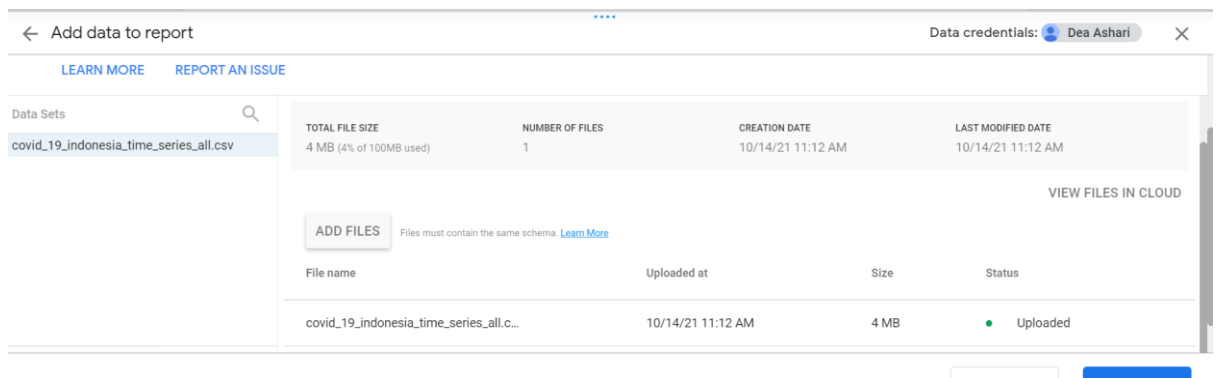

The screenshot shows the 'Add data to report' dialog in Google Data Studio. The 'Connect to data' tab is active, displaying a search bar with 'csv' entered. Below the search bar, it shows 'Google Connectors (1 of 19)' and a list of connectors. The 'File Upload' connector is highlighted, with a description: 'By Google. Connect to CSV (comma-separated values) files.'

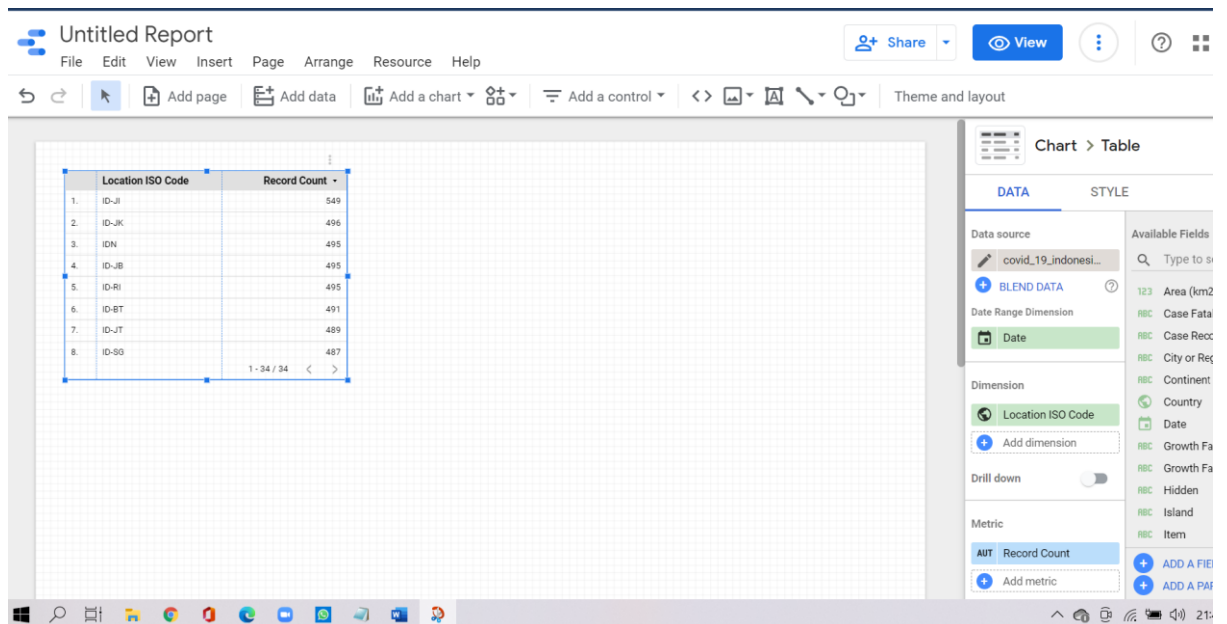

### 3. Mengupload dataset

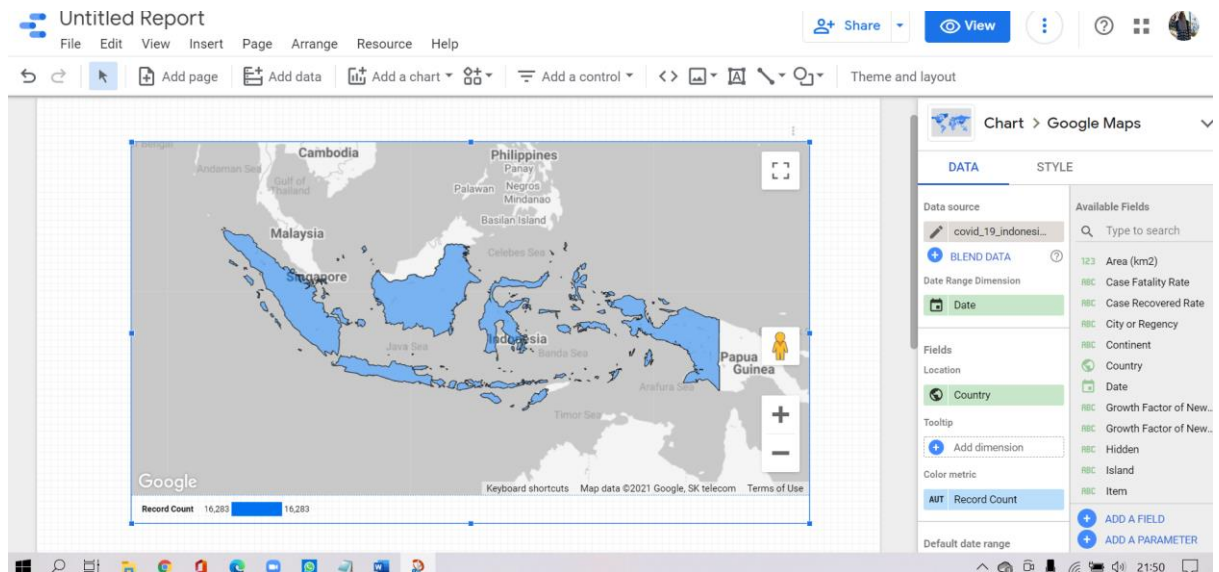

### 4. Menambahkan data set
